

Souvenir Bit--Response Form

Child's Name _____

Parent Name _____

Date _____

This year your child will be bringing home a **Souvenir Bit** each week. This will be a reminder, for your child, of a book that we have read in class. Please ask your child to tell you about the book. This sharing experience will help your child's literacy development and will provide a warm and special time for the two of you to talk about books. I think you and your child will be surprised at all the story treasures they will have collected throughout the school year.

Please take 5-10 minutes tonight to have your child tell you a little about the story **i.e.: the setting, characters, plot, problem or the solution, true facts and/or what new things they learned.**

Please record a few of your child's thoughts about the **Souvenir Bit**.

Then have your child place the **Souvenir Bit** in their container. Tomorrow return only this response form, which I will keep and give back in June. What a wonderful collection you will have!
