

What I Should Have In My Autobiography

Remember an autobiography is a story about your life. You want your reader to feel as though they were experiencing your life with you! Make it interesting and vivid. Here are the requirements and procedures for your project, which will end with a Power Point presentation. Please check off each item as you complete it. You will be given ample time to work on your projects in class. If you feel you need to take your projects home to complete them on time, please feel free to do so.

- ___1. You will organize all of your thoughts on paper to show 10 important moments in your life.
- ___2. Place these 10 moments in chronological order.
- ___3. Write a ½ sheet for each of your 10 moments. Make these papers descriptive.
- ___4. Be sure to include a Title Page, Introduction Page and a Conclusion page. This will give you a total of 13 pages.
- ___5. On the Introduction Page please include the following information on it:
Your name, your age, what grade you are in, what school you go to, how many brothers and/or sisters you have. Please do not just list the facts, put these items into paragraph form.
- ___6. All of the items 1-5 will make up your storyboard for your Power Point presentation. Once all of these items are completed and put into “book form,” this portion of the project will receive a grade. **This part of your project should be completed by:**
_____.

You will begin to work on your Power Point presentation once this is complete.

- ___7. Your Power Point presentation will be graded on the rubric that is attached.

Have fun!

The completion date for this project will be: _____.

Please show your parents this paper and describe to them what we are working on in class.
