

The Snowman

Roll a snowball large,
Then one of medium size.
Roll a snowball small,
Use lumps of coal for eyes.
Place a carrot for a nose,
An old hat upon his head.
And for his necktie, tie around
His neck a ribbon red.
A corncob pipe goes in his mouth,
Three buttons on his chest.
And there he stands,
So round and fat.
Of snowmen,
He's the BEST!
